PRAYER POINT!

Pray that the seeds that were planted and relationships built on camp would continue to grow

SUPA FUN DAYS

Over 45 kids got together across three churches these winter holidays at SUPA Fun Days! In this photo children are thanking God for his goodness - building a stone memorial like the Israelites who crossed the Jordan river into the promised land.

LEAD CAMP 16-18 JULY

Our LEAD camp aims to build and strengthen leadership skills in young people and help them identify their God given gifts.

These winter holidays, our amazing leadership team provided a safe and welcoming space for these young people to grow and learn

One parent shared, "My two daughters came back from LEAD so energized. It impacted them in many different ways - they were really encouraged by the leadership and testimonies of those who led the camp."

SPRING CAMPS

At this stage we are planning to run four spring camps!

Praise God that we will be running a face to face Wild Wee Jasper in the second week of the holidays. We also have many kids keen to attend Zone 40, Noisy Forest and SUPA Sports Holiday Program.

We are planning a volunteer recruitment campaign to ensure that we have enough leaders to make our camps safe, fun and nurturing for all the kids who come.

PRAYER POINT!

Pray that God would make it possible for existing and new SUPA clubs to start up

PRAYER POINT!

Pray that God would call new leaders to serve Him through SU Programs

SUPA CLUBS

With the easing of restrictions most SUPA Clubs have started meeting again in Term 3!

Two of our SUPA Clubs are experiencing big growth - Theodore Primary has had a huge number of children coming this term, while Ngunnawal has been provided with a larger room to accommodate their growth in numbers.

Isn't it encouraging that children are eager to hear about Jesus during this uncertain and challenging time?

PRAYER POINT!

Pray for a strong unified team to grow as they plan to make Jesus known on the South Coast

BEACH MISSION 2021

SU ACT will be supporting not one but two beach missions in January 2021!

Merry Beach is an established beach mission that SU ACT will be supporting with leader training and safety planning.

Barlings Beach is a brand new beach mission. They have 25 team members so far but are still looking for people to support the team through prayer, pre-event preparation, or financially.

For more info visit suact.org.au/beach-mission
