

2022

A booklet that tells you a bit about what camp will be like

We are really excited that you are coming on Noisy Forest this year!

This booklet will tell you a bit about what Noisy Forest is like. If you have any questions you or your parent or carer can email us.

On the back page you will find the timetable.

Camp starts at a carpark in Cook. Here you will sign in, get your photo taken and give your bag to a leader to put in the bus trailer.

You'll be able to choose where you sit on the bus and can start making friends on the way to camp.

It takes about an hour to drive to camp. There will be leaders on the bus to look after you. If you need help or have a question please ask them. They are really friendly and helpful.

When we arrive at camp we will set up. It's extremely beautiful out there in the forest.

Our theme is

WHO IS YOUR GOD?

There will be lots of yummy food!

There will always be leaders to look after you and help you. If you need anything just ask them.

Here are some of the leaders

There will be fun activities. Like mountain biking, camp fires, nerf games and star gazing. We want you to challenge yourself to try new things, and we will help you if you're finding it hard.

At Noisy Forest we're all mates. We're kind to each other and work together.

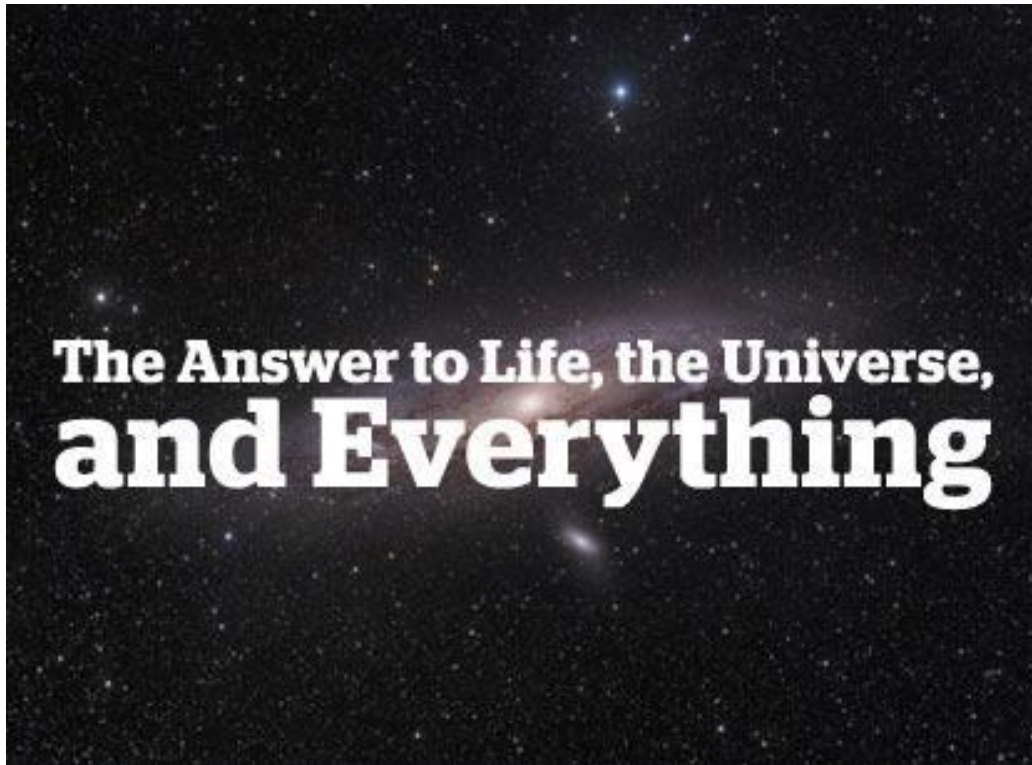

You will have a small group that you spend time with and a couple of leaders whose job it is to look after you and your small group.

Your leaders are safe and kind people. They pay to come to camp because they care about kids and want to help them have fun.

If you ever feel unsafe, sad or need something tell your leaders and they will help you - even if it's the middle of the night!

On camp we spend time wrestling with the big questions of life, the universe and everything.

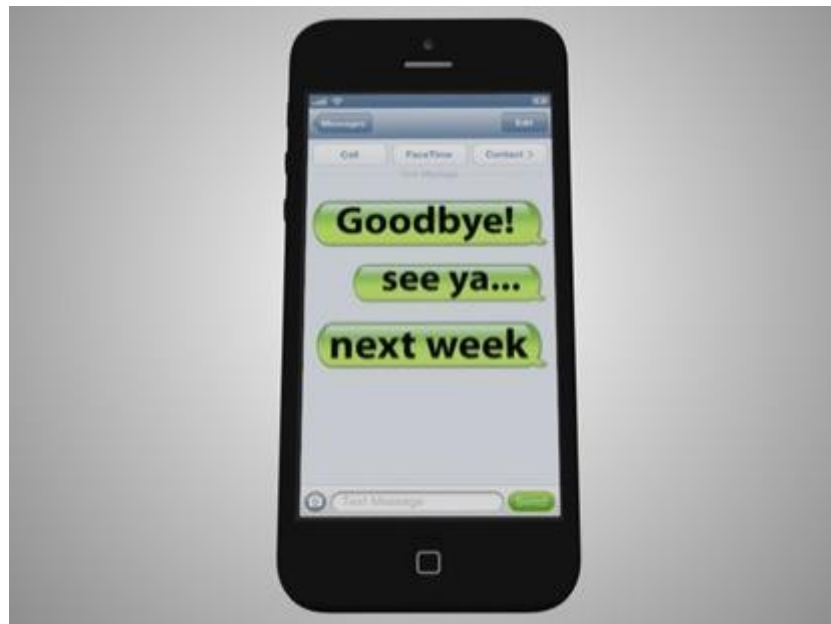

The leaders are Christians and will share with you some things they've learnt from the Bible and through their lives.

It's totally fine if you have never read the Bible, and have completely different ideas to the leaders. Camp is a safe place where we can ask ourselves and each other questions, and think about what we believe.

There is no power, mobile reception or wi-fi at camp.

Please don't bring any mobiles, tablets or other devices to camp. We promise, you will be OK without them.

Because of Coronavirus some things will be a bit different this year.
But don't worry, we can be safe and have fun!

Noisy Forest is so much fun and we want you to have an amazing time.

We are looking forward to being there with you at Noisy Forest.

See you on Wednesday morning at the buses!
