

Personal response (ability)

Take some time to pray and reflect on how you might respond to be Christ in the school zone...

☐ I have a child in a government primary school – I could request Christian Education or another service

☐ I could find out more about volunteering for one of these ministries

☐ I am interested in schools ministry and could attend the Schools Ministry Network meetings

☐ I could be a church champion, promoting all school ministries at our church

☐ I could be a school advocate for CEIS or other ministries

☐ I could offer child-minding to help volunteers in schools

☐ I will donate to one or more of these ministries

☐ I could organise a fundraiser for one of these organisations

☐ I have a special skill that I could donate (eg computer technology)

☐ I can commit to praying regularly for these ministries

Christ in the School Zone

real service... real stories...

Young Life

The mission of **Young Life Australia** is to build confidence, values and resilience in Australia's young people through significant relationships with adults who model the love of Christ. Our school-based and extra-curricular programs are built on mentoring young people needing care and role-modeling.

School Chaplaincy ACT

God's plan, Our Opportunity

Chaplaincy is Christian care in action. It's a relational role empowering young people with hope. Chaplains provide safe spaces for explorations of faith and function as role models in character and values formation.

Students, families and staff value the caring presence, a listening ear and the gentle wisdom lived and shared as they face life's challenges.

Scripture Union ACT

Scripture Union supports churches and individual Christians to achieve their God-given vision to bring people to Christ. Our goal is to win the next generation for Christ – to help them grow in Christian maturity and to become servants of the church and a world in need. Schools value SUPA clubs because they are safe places where all kids can go and enjoy lunchtime, even if they are struggling socially with their peers.

Christian Education (CEIS)

Christian Education in Schools exists as a direct response to legislation that allows parents to ask for it for their children. Sessions are designed to encourage students to seek, question and explore the meaning, values and festivals of Christianity. Trained volunteers use interactive resources to help each student reflect on the gospel message and what it might mean for their modern lives.

Fusion

Fusion Canberra is part of the national and international fellowship of Fusion International, a Christian youth and community development organization. Fusion International aims to bring young people and their communities together with hope. Fusion Canberra aims to create a Canberra and world where nobody gets left behind.

Salvation Army

The Salvation Army help the students and staff in schools and communities across the ACT through Red Cap and other programs. Children who participate in Red Cap develop skills to manage their anger in a positive and constructive manner.

ACT School Ministry...
impacting lives for good

Thank you for participating in Schools Ministry Sunday, 'Christ in the School Zone'. The ministries listed here have a real place and real value in local ACT schools. Each organization aims to serve God by reaching young people right where they are, bringing His love and care as they deal with real life and real questions.

KIDS HOPE AUS

KIDS HOPE is a mentoring program that enables local churches to witness to their local community by supporting vulnerable children. The program is currently operating in every state and territory in Australia – all up there are over 350 schools involved in the program.
