

# WHAT TO EXPECT 2022

We are really excited that you are coming on Zone 40 this year! Here are some photos to help you see and understand what camp will be like. If you have any questions or worries please ask your parent to email or call us to talk to one of our leaders. A timetable is available at the back so you can see what each day will look like.

It's normal and ok to have a range of emotions about camp, just like any new thing. You might feel excited, nervous, scared or happy about it, or any number of other feelings too. You might change what you feel every time you think about it and that's ok. Let me reassure you that camp will be lots of fun, you will be safe and the camp leaders are really kind and caring and they are there to look after you and help you. Plus there will be lots of kids to make new friends with.

## THE FIRST MORNING

On Wednesday morning we will all meet at Westminster Church Carpark in Cook at 8am. Here you will sign in, put your bags on a bus, meet some leaders and then go on one of the buses. We will have two buses this year, a big coach, and a smaller bus. You can pick where you sit on and there will be leaders on each bus to help you. It takes about 1 and half hours to drive to Wee Jasper.

## WHERE WE ARE GOING

Zone 40 is at a place in Wee Jasper called Cooradigbee Shearers Quarters. It is on a goat and sheep farm that is really beautiful and peaceful. The shearers quarters have a big deck, a middle room that is a bit like a big lounge room with a fire place in it, and some bunk rooms. It has a big kitchen where the wonderful cook will be making all your meals. We also set up one of the rooms for first aid. Older campers will sleep in tents and younger campers will sleep in the bunk rooms.

There is a toilet block with toilets, sinks and showers, and we will set up some extra toilets so they will be nice and close to the tents. There is lots of green grass to play on, a big shearing shed and a lovely hill to walk up for amazing views.

# ARRIVING AT CAMP

When you arrive at Wee Jasper you will get off the bus and head to a meeting spot where some parts of camp will be talked about. We'll have a B.L.A.S.T! Afterwards, you can collect your bags and your small group leaders will show you where you will sleep. You will have a bit of time to set up your space. Then we will regather and there will be a tour of the campsite and the rules will be explained. To help everyone have a blast, we will be using **B.L.A.S.T**:

**B** = Be safe, feel safe

**L** = Listen always

**A** = Always at the right place at the right time

**S** = Speak kind words

**T** = To have fun!

## YEAR 3/4 BUNK ROOMS

Campers in years 3 and year 4 will sleep in bunk rooms. Although we will be giving you the choice if you would LIKE to sleep in a tent as we've got a few too many year 3/4s for the rooms. The bunk rooms have 4 beds in them and you'll share with a group of boys or a group of girls. If you are keen to share with a particular friend, make sure your parents have let us know before camp, and get them to let us know if you would be happy to sleep in a tent. There will be leaders near by if you need any help during the night.

## 5/6 TENTS

If you are in years 5-6 you will sleep in one of these big marquee style tents or in one of our brand new 9 person teepee tents. There will be a few 3/4s who join the 5/6s in the tents. There will be leaders nearby to help you throughout the night if needed.

## SMALL GROUPS

On camp you will have a small group that you spend time with and a couple of leaders who's job it is to look after you and your small group. If you ever feel unsafe, sad or need something tell your leaders and they will help you.

## IF YOU NEED HELP

Its important if you need help that you let one of the leaders know. There will always be leaders near by looking after you but you need to speak up and let them know if you are feeling sad, or worried, or unwell, or hurt, or cold or hot etc. They want to help you have a great time on camp and they need your help to make sure you get everything you need.

## MEET THE LEADERS!

All of your leaders are very kind and caring and are coming on camp because they love Jesus and want to help you learn about God and have lots of fun at camp. All of the leaders have been carefully screened to make sure they are safe people and they are all really nice.

## COVID SAFETY

Everyone is now used to being cautious about COVID and this will be the same on camp. We will be making sure everyone washes their hands often and if you have any cold or flu symptoms we will have some RAT tests on hand to make sure its not COVID.
